Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Have you ever wondered what it was that appeals to woman about Italian men? French men also have a certain "je ne sais quoi" but do you know why this is? In this book, I will explain why the appeal is so universal among women and what it is that these men have that perhaps you don't. Ask a woman about a fantasy romance, and no doubt, the idea of making love with a passionate Italian may figure in her dreams. It's not that she's even interested in being with a man of another culture. It's just that Italians have long since learned the art of lovemaking and do it with panache. Men, on the other hand, may think of an Italian woman as being hot, but it's the combination of man and woman that makes them like that. So what is it in the approach that is different? What makes a woman explode with passion? Well, I have been studying the subject for a rather long time and my findings may not be what you expect to read. However, they are accurate, bearing in mind both the male and female point of view. You may think that your macro approach to sex is working, but you may actually be surprised to know that being macho is low on the list of priorities when it comes to pleasing a woman in bed. Macho men are all about proving what they can do. They are less interested in caring about what the woman thinks or feels. These are the guys who boast about knowing all the secret parts of a woman, but who are least likely to be in the know. Why? Well, the fact is...
